Democrats Redoubling Efforts
To Have Cox Chosen Presi-
dential Nominee.

(By Associated Press)

Columbus, O., June 15.—Now that an Ohioan has been chosen the standard bearer of the Republican party, Ohio Democrats are redoubling their efforts to obtain another honor for the Buckeye State by having Governor James M. Cox selected by the San Francisco convention as the one to carry the standard for their party.

No sooner had Senator Harding's nomination been assured than former Governor James E. Campbell, an Ohio delegate-at-large to the Democratic national convention, began preparation of a circular letter to all Democratic delegates setting forth why Governor Cox should be nominated at the San Francisco convention.

"Governor James M. Cox can carry Ohio. What other candidate can match this certainty with even a probability?" the letter declares. Ohio Democrats are convinced that the nomination of Senator Harding by the Republicans has placed Governor Cox in a strategic position from which it will be hard for any other candidate to dislodge him.

SOCIETY WOMAN IS A SUCCESSFUL BANKER

Mrs. Natalie Schenck LaFollette.

When a beautiful society woman, popular with the Newport set, mother of three children and lover of her home, starts into the business world you may be sure it is not "feminism," "new freedom," or a desire to be "different," or have a "fad" which makes her do it. So says Mrs. Natalie Schenck LaFollette, who was all of those things and is now manager of the woman's department of the U. S. Mortgage Trust Company, New York city. "I went to work because I had to," she frankly states.

HARDING WILL SERVE FULL TERM IN SENATE

Margin of Republican Control
Would be Endangered if He
Resigned.

Will Continue in Office Until
March 4th Even if Elected

(By Associated Press)

Washington, June 15.—Warren G. Harding, the Republican presidential nominee, does not intend to retire from the United States Senate until his term of office expires on March 4th.

"There is no possibility of that," Senator Harding declared today when asked whether he would resign from the Senate immediately. "I do not intend to resign, but intend to serve my term out. Why shouldn't I?"

"I do, however, intend to withdraw my petition filed last week in Columbus, giving notice that I would be a candidate for reelection to the Senate. That will be done this week."

Senator Harding's friends explained today that for him to retire from the Senate would endanger the narrow margin of control held by the Republicans there as his retirement would enable Governor Cox of Ohio to appoint a democrat in his place.

They also said that should the Senator be elected president in November he could continue to serve in the Senate as he would not be inaugurated until his term as senator expired March 4th.

The Senator was at his office early today winding up some pending Senate business. His only fixed engagement was with Leslie M. Shaw, former secretary of the treasury, who called to discuss matters of publicity in connection with the coming campaign.

A FACTOR IN MURDER CASE

New York, June 14.—Jealousy over a woman or vengeance for heavy losses sustained at cards, it is believed furnish the motive for the murder here last Friday of Joseph B. Ellwell, wealthy turfman and "whist wizard."

Clues point to the woman theory, according to the majority of the detectives working on the case. They claim this theory was strengthened today when it was learned that Marie Larson, Ellwell's housekeeper, had found in the bed room of his handsome home when he was shot a woman's silk undergarment, reported to belong to a New York society woman, whose name is being withheld pending examination.

Conviction that the husband of this woman, an ex-army man, killed the whist expert was expressed by some detectives.

DEMPSEY IS FOUND NOT GUILTY OF CHARGE

Both Sides Waive Final Argu-
ment and Case Comes To
Speedy End.

Defense Fails to Put On Con-
cluding Witnesses in Case

(By Associated Press)

San Francisco, June 15.—Wm. Harrison (Jack) Dempsey, world heavyweight champion, was found not guilty on a selective draft evasion indictment by a jury in the United States district court today.

Both sides waived final judgment in the trial today and immediately thereafter Judge M. T. Dooling began instructing the jury. The defense, contrary to its announcement, failed to put on two concluding witnesses.

There are two charges resting against Dempsey. One actual draft evasion and the other conspiracy to effect such evasion. The Kearns case is covered only by the latter.

The indictments were returned February 27 following statements made to the federal grand jury by Maxine Wayne Dempsey, divorced wife of the pugilist, that he sought her sworn testimony as to her dependence on him in order to avoid military service, and that she had given such testimony against her will. Subsequently she retracted her charge in a signed affidavit submitted to the United States District Attorney's office here, but despite such retraction the grand jury returned the indictments.

GIVE RECEPTION FOR COMMANDER HARDING FORCES

Hon. H. M. Daugherty Showered With Congratulations by Large Number of Friends.

Is Met With Band and Delivers Short Speech Expressing Appreciation.

Hailed as the commander of the Harding forces and the man to whom credit is due in a great degree for the nomination of Senator Harding for the presidency, Hon. Harry M. Daugherty, coming to this city Monday evening to visit his aged mother, Mrs. Jane Daugherty, was met by the Washington Band and escorted to the court house lawn where an informal reception was held and he was showered with congratulations for his success in one of the nation's most notable political conventions.

Hon. Frank C. Parrett made a short address of welcome and appreciation for a former son of Fayette county who had accomplished such a notable achievement, declaring that Mr. Daugherty's large circle of friends in Fayette county took pride in claiming him as a son of Fayette. He then presented Mr. Daugherty.

Mr. Daugherty expressed his surprise and pleasure in the ovation tendered him by the several hundred citizens present and stated that it was an honor that touched him deeply. He said that he had no desire to make a partisan speech because the friends about him contained members of both parties.

"One of the greatest things in the world is to stand by your friends," said Mr. Daugherty, "and you should never hesitate to stand by your family, your friends, your home city, county, state and country."

During his speech the factory whistles announced the close of another work day, and after hesitating until the noise had subsided, he said:

"I've been talking against opposition so long that I know when to wait."

Mr. Daugherty said that he considered Mr. Harding an ideal candidate for the presidency in all ways, and that anyone who votes for Harding has no need of apologizing for doing so, that he had been all over the United States during the past five months of incessant toil as commander of the Harding campaign, and had found only respect and admiration for Mr. Harding.

"I predict that Mr. Harding will make a great president—one that will lead the world to peace, comfort and understanding."

Referring to the convention fight he said that the delegates settled down at about "2:11" Saturday morning and decided that Saturday would be Harding day. The reference to the fam-

Milk Contains Things Unseen as Well as Those We See

No other food you buy can contain the hidden impurities as can milk not properly handled. No other food is so easily contaminated as milk. For these reasons it is the methods employed between the cow and your table that count most.

But here in Washington the responsibility of using doubtful milk rests with the consumer. We have made it possible for all to be protected. Our methods work entirely to the advantage of the consumer.

You can't see the impurities in your milk, but if it is not pasteurized and contained in sterilized bottles and properly handled, you know they are in it.

LEGS OF INJURED LAD AMPUTATED ABOVE ANKLES

Little Paul Hixon, Run Over By B. & O. Freight, In Serious Condition.

Operation Not Performed Until Little Fellow Had Rallied From Shock.

Paul Hixon, the twelve-year-old son of Mr. and Mrs. Henry Hixon, 340 Gregg street, who had both legs crushed at the ankles beneath the wheels of an oil car being switched across N. North street, Monday afternoon by a Baltimore & Ohio engine, and who was taken to the Fayette Hospital, underwent the amputation of both limbs about ten o'clock Monday night.

He went through the operation in fairly good condition and Tuesday morning his chances for recovery were believed to be good. Owing to the shock which the child received by the awful accident, the surgeons did not deem it advisable to operate immediately when he reached the hospital. At that time he had a high temperature and his pulse indicated that an amputation might prove fatal. Shortly after eight o'clock Monday evening the child rallied and the operation was performed. The limbs, over which the trucks had rolled almost directly, were removed just above the ankles.

Paul, with a group of other boys, including his brother Ed, were playing beside the tracks on N. North street. They had not noticed that Paul had left them until the cars were passing and they heard a shout which they believed to be from some of the train crew. It was not until the little fellow came crawling up over the curb on his hands and knees that they realized what had happened.

The Elmer A. Klever ambulance was summoned and he was soon placed in the Fayette Hospital where the rapid flow of blood was stopped. At no time did the child lose consciousness.

Is "Cheap" Twine Cheap?

A FARMER bought 6 bales of cheap twine—286 lbs., net. It checked short an average of 30 feet to the lb.—8,640 feet in 6 bales, or the equivalent of 17½ lbs. of 500-ft. standard twine.

He harvested his wheat crop using this twine. There were 135,360 feet of twine (deducting shortage) in the 6 bales—enough to tie 67,680 bundles of grain (allowing 2 feet of twine for a bundle). But 8% of the bundles (5,414) were broken due to twine being weak and uneven.

The hired harvest hands lost an average of one minute's time tying each broken bundle by hand—5,414 minutes, or a total of over 90 hours.

In addition, 2% of the broken bundles (108), representing approximately 5½ bushels of wheat, were lost because the loose grain was not picked up cleanly by the hired harvest hands.

Don't you think it would have been much more economical for this farmer to have paid a little more for his twine to begin with and bought good twine—twine of International Harvester manufacture that averages full 500-ft. to the pound and has but a very low percentage of breakage?

The new ball enables you to carry 66% more twine in the binder twine can than is possible with the smaller ball; bale takes up two-fifths less hauling and storage space than large bale. 48 lbs. of twine, net, in both sizes.

Flag Day, June the fourteenth always strikes a responsive note with the Daughters of the American Revolution and annually occasions a celebration of distinctive interest. The children of the Daughters are always invited to participate in the exercises which honor Old Glory.

For the 1920 Flag Day Mrs. W. A. Harlow and Mrs. Maude Harlow Coffman extended, with their always delightful cordiality, the hospitality of their suburban home and anniversary was one of exceptional pleasure, with its patriotic call, the allure of June and its roses in both the beautiful

grounds and the cool rooms of the spacious home.

The intention had been to present the program on the lawn, where large flags waved in the breezes, but the storm sent the guests inside, to find the immense connecting rooms very inviting, with gorgeous flowers in effective arrangement.

Chapter officers acted as the Flag Day hostesses with Mrs. Harlow and Mrs. Coffman.

Mrs. Harriet Forsyth Woodward the retiring Regent, conducted the opening business session.

Letters were read from Mrs. J. Star Smith, in California, thanking the chapter for her appointment as delegate to the Continental Congress, in Washington, D. C. and from Mrs. William M. Wilson, of Xenia, the newly elected State Regent, outlining the work for the coming year and urging that the war work standard be sustained.

Following the usual Flag Salute and prayer by the Chaplain Mrs. Usick, Miss Forest Allen read the American Creed and Mrs. Ruth Allen McCoy the Ohio Flag laws. Mrs. Woodward read short sketches of Former Associate Justice Charles E. Hughes' Tribute to the Flag in Washington, D. C. last year and also President Wilson's last Flag address.

A delightful little program by children of the Daughters was presented. Recitations were cunningly given by Janet Daugherty, Mary Theresa Morris, George Robinson Jr., William Mc-

Fadden and Russell Brown. Miss Helen Durant was very attractive in a patriotic reading, "Along the Paths of Glory."

Miss Forest Allen, who is home on a visit, gave a most interesting talk in her always forceful presentation, on her personal war work experiences in Washington, D. C.—touching on the housing conditions, the celebrities met, visits to the White House and her work on a "Man's Job."

Miss Allen has been for some time in the main office of the Federal Board for Vocational Training in Cincinnati and will now go out in the Department of Reconstruction and Rehabilitation, entering the hospitals to help the boys not yet recovered.

Mrs. Annette Rowe, the New Regent, closed the program with a graceful little speech, expressing appreciation of the honor conferred upon her by the chapter.

A refreshing collation was served and the daughters lingered in congenial sociability. Mrs. Bertha Nichols, of New York, was a guest.

The dinner guests of Mr. and Mrs. A. L. Todd and family, of near this city, Sunday were Mr. and Mrs. Roy A. Burns, Mr. and Mrs. L. W. Massie and daughters, Rhenia, Irene and Dorothy and son, Walter, of Milledgeville; Mrs. John O'Neal, daughter Majorie and son, Robert, Mrs. Bart Rankin and daughters, Edith and Raonkin and daughters, Edith and Jesse, of Jeffersonville, the affair was much enjoyed.

Honoring both Flag Day and the Defenders of the Flag, the Ladies of the Grand Army served a sumptuous dinner to the G. A. R. veterans Monday at noon in the G. A. R. hall.

Roses and peonies, in profusion, added beautiful decoration to the big hall and also to the long table, down the center, at which over fifty veterans were seated.

Special effort had been made to have the dinner menu include every delicacy of the season and it was served admirably by the ladies of the circle, who had charge of the entire affair from culinary department to the tables.

Mrs. John Ging was at the piano and played softly the patriotic melodies which are favorites of the veterans while they enjoyed the feast. And they did enjoy it too—every bit of it—and especially appreciated the spirit of patriotism and the desire to show to the "boys of '61" that their valor and sacrifice defending the flag will always be warmly cherished in memory and these battle scarred veterans occupy a place all their own in the annals of their country.

Among the many festivities in honor of Miss Anne Palmer and her fiancé, Mr. Henri Nomez, none was more charming than the dinner-dance given at the Butler County Country Club, at Hamilton, last week by one of the out-of-town bridesmaids, Miss Katherine Parrish. Today the bride's parents are entertaining for the guests of their daughter, Miss Jean Dawes, of Chicago, and Miss Katherine Rogers of Los Angeles, and on Monday Mr. Nomez is giving a dinner for the bridal party at the Hamilton County Golf Club, preceding the rehearsal. Other merry affairs given in honor of these approaching nuptials during the week were Miss Rachel Houston's lovely luncheon at the Sinton and Mr. and Mrs. John Keith Browning's picnic supper in the country on Friday evening—Sunday's Cincinnati Enquirer.

The Masonic Social Club is introducing a new idea in a children's party at the Temple between the hours of two and five on Thursday afternoon, the seventeenth. All Mason's children up to twelve years of age are invited and their mothers with them. Mrs. Lulu H. Robinson is chairman of the committee which will care for the children and give them the happiest of afternoons.

In the evening there will be one of the popular Masonic Social Club dances, and to this will be invited all Mason's children above twelve years old.

Every thing will be strictly negligee and an unusually good time is expected.

Surprising and interesting friends throughout the county comes the announcement of the marriage of Mr. L. D. Exline, well known B. and O. operator of Bloomingburg, and Miss Della Hidy, the attractive daughter of Mr. and Mrs. A. M. Hidy, of Jeffersonville.

The ceremony was performed in Newport, Ky., on May the fifteenth, and the announcement was made a few days ago, when Mr. and Mrs. Exline began preparations for going to house keeping in Bloomingburg.

The bride is a graduate of the Fayette Hospital in this city and has a large family connection and many friends.

Mr. Exline has filled the position of B. and O. agent at Bloomingburg with marked capability for a number of years and has an extended acquaintance so that good wishes galore follow the announcement.

"At the marriage of Miss Elizabeth Glenn, daughter of Major General and Mrs. E. F. Glenn to Captain H. R. Tyler, takes place at the community church, Camp Sherman, at 3 p. m. on Saturday, the matron of honor will be Mrs. James A. Garfield, of Cleveland, the bride's sister, and her maid of honor will be Miss Sara Todd Buckley, of New York. Captain Tyler's best man will be Harold Candee, of Utica, N. Y."—Scioto Gazette.

It is a punishment to have the washing done at home although you take no part in it. It is simply too uncomfortable to do things at home that may easily and as satisfactorily be taken away.

Send your family wash to us and eliminate the unpleasantness and still be perfectly satisfied with the result. You must be satisfied, that is one of the conditions of the deal.

LITTLE BODY OF UNKNOWN BABE LAID TO REST

Probe Into Dark Mystery Surrounding Death of Babe is Under Way.

Deep Interest Manifested In What is Believed to Have Been Murder.

Unmourned, unnamed and unknown with the dark mystery of its death forming its only shroud, the body of the infant found floating in the waters of Sugar Creek at the lonely bridge on the New Martinsburg pike last Sunday night was taken to Washington cemetery late Monday afternoon and simple burial was made in the potter's field.

Just a plain wooden box with no sign or mark denoting its contents and because of necessity without any mark of identification, served to hold the little body that, because of a yet hidden crime, never knew father and mother.

While no mourners accompanied the remains of the boy babe to the Washington cemetery, hundreds of persons joined in a silent appeal that the guilty be brought to justice. No recent tragedy in Fayette county has excited the interest shown in the child which probably met violent death.

Among those investigating the affair there is an added determination to bring about the arrest and conviction of the guilty, and to ascertain who took the infant in an auto to an infrequent spot and placing it in a sack, while its hands that reached out in baby helplessness for protection, bound the little limbs with rubber bands that it might not tear the sides of the paper container, and then so that the sack might not be readily recognized, tied around it a Cincinnati Enquirer, dated Sunday, June 6, 1920.

The condition of the body when found Sunday showed that it had been in the water for the entire week. Interviewed Tuesday morning Prosecuting Attorney Harry M. Rankin said that he had no statement to make at that time concerning the mystery that surrounds the crime. He intimated, however, that clues were being worked to their full limit and that the investigation was proceeding in a most satisfactory manner. There is some possibility that the child came from Greenfield although this idea has been almost cast aside by fact that around Greenfield there are places far more suitable to concealing the body than the spot where the babe was found. It is probable that the Greenfield authorities will be enlisted to take up the investigation.

LAST CALL COMES TO MRS. CATHARINE HYER

Monday evening at six-thirty at the home on the Wilmington pike Mrs. Catharine J. Hyer, wife of Ezra Hyer answered the eternal summons at the age of 64 years.

Mrs. Hyer had been in failing health for some time, but her condition was not considered serious until one week ago.

The two sons, Wilbur and Harry, both of this city, have been constantly with the beloved mother, aiding their father in doing everything possible in the last hours.

Besides her own immediate family she leaves two sisters, Mrs. Mont Dowden of Sabina, and Mrs. John

Cohagan of near London, four brothers, Rev. J. F. Henkle and Mr. Lonsen Henkle, of this city, Mr. Jesse Henkle of Springfield and Mr. Noah Henkle, on Indiana.

Mrs. Hyer was one of the highly esteemed residents of the county, belonging to a family who stood for high standards of living, and her death is a source of deep regret to many friends, who sincerely sympathize with the bereaved family.

Funeral services will be held at Mr. Olive Church, Wednesday afternoon at 1:30 standard time, followed by burial in the Washington cemetery. Rev. W. J. Elliott will have charge of the services.

Don't Buy Serum Buy Immunity

Anyone can make an anti-hog-cholera serum—you could do it yourself if you knew how. But when you had done it, how would you know there were no deadly poisons in it—no abscess-forming bacteria that would make your product do more harm than good?

How would you know that your serum was effective—that it was positively potent?

There can be no doubt on those points as to our serum, because every lot of

PITMAN-MOORE Anti-Hog-Cholera Serum

is tested for purity, for potency, for freedom from contamination, by much more stringent and certain tests than those prescribed by the government and used by other serum-producers.

That is why you cannot afford to use any but Pitman-Moore serum—that is, if you want to be sure you are taking no chances.

Cost Per Mile Is True Cost of Tires

There's no getting around that fact. Whatever your tires cost per mile of road service is their true cost. Then isn't it reasonable to suppose that the tire with the least mile cost is the economical tire to buy? Certainly, you will say.

Well, that's just the reason we handle the tires we do, and it's also the reason we have not changed our line, because we know they represent tires of least mile cost. Our patrons have come to know that when they say a tire is dependable it is that. They know we handle nothing but tires of

PROVEN ROAD SERVICE

and that's what you want. The tires we offer are those enjoying prominence—favorites with motorists who know good tires, and know what they should deliver in the way of road service. They are old established goods with records to maintain.

And don't you forget that we have our own record as dependable tire dealers to maintain, and for that reason you should not hesitate to come to us. We like to talk tires with you. Stop in and learn just how good we think a tire should be.

LIGHT SHELL ON FRAMEWORK OF ALUMINUM AND STEEL
IS LIPTON'S YACHT WHICH HOPES TO WREST U. S. CUP

The picture of the Shamrock IV under full rig was taken while she was being tuned up for the cup races in 1914. It was not released then, as her builders wanted to keep some facts of her construction secret. This photo has just been obtained for publication for the first time. The upper photo shows the hull of the challenge yacht being overhauled at City Island shipyards, New York city, this spring.

Millions of American folk, whatever their sport hobby may be, will be watching the result of the races to be staged this summer for America's yachting trophy, although they are not familiar with the yachting sport or the technique of yacht building or sailing. The fact that an American boat is racing the best craft that European builders have produced to defend the trophy will be enough for these folk. Sir Thomas Lipton, persistent seeker of the cup, will send the "Shamrock IV," his fourth boat, against the speedy craft America chooses. The "Vanitie" and "The Resolute," both built for the honor, will race

it out to see which one tackles the Shamrock. These pictures, one of them a rare photo of the "Shamrock IV," show the kind of boat Lipton has built. The framework of the boat is of steel and aluminum. Instead of the usual timbers or frames running

crosswise of the boat, in which the hull is built, the Shamrock IV has steel and aluminum frames running from bow to stern. The wooden shell is built on this frail frame. The deck of the boat is so thin that it springs when walked upon.

"and he swapped his grouch
for a smile"

GOSH BUT that trolley.
WAS ALMOST as packed.
AS IF they'd squeezed.
ALL THE candidates.
FOR PRESIDENT in.
WHENEVER THE car awayed.
I SAT on the lap.
OF A pudgy lady.
MY BRAND new derby.
WAS SUNK without a trace.
AND A garlic breath.
BLEW DOWN my neck.
AND MY foot went to sleep.
AND THE rest of me.
ENVIED MY foot.
AND I was sore.
YES, GOOD and sore.
AND THEN a chap.
WHO CAUGHT my eye.
CHEERED ME up.
WITH A jolly grin.
AND SAID to me.
"NO GROUCHES Now."
AND HONEST, I felt better.
IT WAS an ad.
OF A cigarette.
BUT I'LL say this.
IF THE ad alone.
CAN CHASE a grouch.
THE CIGARETTES.
THEMSELVES MUST do.
WHAT THE car card said.
"THEY SATISFY."
I'LL SAY they do.

IT WILL tickle you to find out how good
Turkish and Domestic tobacco taste
when blended in the exclusive Chesterfield
way. They do satisfy. And you'll be pleased
to find out also that Chesterfields keep firm
and fresh in their special, moisture-proof
package.

"CAN I KEEP FLAG ANOTHER YEAR?" MORAN ASKS HIMSELF AS PENNANT IS PULLED TO TOP OF POLE AT REDLAND FIELD

A closeup of the Cincinnati manager and view of the flag raising. Moran, manager McGraw of the Giants and Mayor Galvin are raising the flag.

When the closeup above of Pat Moran was taken he might have been asking himself: "Wonder if I can keep this bunch of mine a championship outfit another year." The popular leader of the Reds is going about the 1920 campaign as if he meant to keep the pennant flying above Redland field at Cincinnati. The flag, a mammoth affair, was officially raised at one of the early games with the usual ceremony.

MRS. THOMAS' WORD TO WOMEN

Tells of the Great Good Lydia E. Pinkham's Vegetable Compound Did For Her.

Morrice, Mich.—"About a year after my second baby was born I suffered with dizziness every morning so that I could hardly get around. I had heard from other women about your medicine and had read letters about it so my husband got me Lydia E. Pinkham's Vegetable Compound which I took according to directions and in a short time I was entirely relieved. I also took the Vegetable Compound before my last baby came and am thankful to say that it relieved my sufferings very much and I shall never be without it at such times. I have told others of its great worth and shall keep on telling it."—Mrs. Ed. THOMAS, Box 184, Morrice, Mich.

Women should not continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound. If you would like free confidential advice address Lydia E. Pinkham Medicine Co., Lynn, Mass.

NOMINEE CHOSEN IN BABE RUTH STYLE

Following the nomination of Warren G. Harding for the Republican Presidential nominee a story has come out of Sunnyside that rivals any yet heard of concerning the choice for standard-bearer.

It seems that an old lady, who because of the many years resting heavily on her shoulders, had become slightly deaf and also somewhat dim of vision, Saturday evening, when the news was going the rounds that Harding had been selected the old lady asked for a paper so that she might see for herself.

A well meaning woman, realizing the condition of her older companion, but not realizing that such language would be a mystery to her, offered an explanation. She said: "Well, it's just this way; Harding began to gain in the sixth inning and made a home run in the tenth."

ALL AUTOS MUST DISPLAY LIGHTS

The edict has been issued that all automobiles in the city after nightfall must display proper lights while moving on the streets or be liable to fine under the new traffic ordinance provisions.

Two front lights and one rear light must be displayed, and driving with only a spot light will not be tolerated, as it is a direct violation of the state law.

The law regulating lights will be enforced at once.
